ONA T. WANG, United States Magistrate Judge:

In Defendants' Motion to Dismiss (ECF 35) and opposition to Plaintiff's Motion for Summary Judgment (ECF 48), Defendants argue that Plaintiff's claims related to his involuntary admission are barred by the doctrine of *res judicata*, or claim preclusion, requiring dismissal of Plaintiff's Complaint. Defendants have failed, however, to adequately identify the claims Plaintiff has litigated (or continues to litigate) in state court.

By **August 10, 2022**, Defendants are directed to provide this Court a chart that lists all state court suits Plaintiff has commenced against any of the defendants, identifying:

(1) the full case captions;

UNITED STATES DISTRICT COURT

- (2) when and where the cases were commenced;
- (3) the claims and defenses that were raised;
- (4) whether and which of those claims overlap with the claims raised in this case;
- (5) a copy of the docket **OR**, **preferably**, a link to the electronic docket, if available;
- (6) the current status of each case.
